BSNL As per TRAI report on drive tests released recently, BSNL has met KPIs in all 5 parameters in both 2G & 3G in three cities, which is best amongst its competitors. The performance of BSNL has been continuously improving as can be seen from the statistics of drive test done by TRAI during 2017-18 & current FY. In FY2017-18 TRAI conducted drive test in 46 cities & BSNL met the benchmark in all 5 parameters in 22 cities, which was similar to few other operators.
